# INTERNATIONAL WEEK BEYOND BORDERS 5 - 7 FEB 2025

SAVE THE DATE! JOIN US AND EXCHANGE KNOWLEDGE AND EXPERIENCES AT OUR HAN INTERNATIONAL WEEK HEALTH AND SOCIAL STUDIES. THIS YEAR'S THEME IS BEYOND BORDERS

## DEAR PARTNER,

We warmly invite you to participate in our 13<sup>th</sup> International Week organized by Health and Social Studies. This week will be held at the HAN University of Applied Sciences in Nijmegen from Wednesday 5 to Friday 7 February 2025.

The conference will be attended by about 2000 of our second-year students from Health and Social Studies. The program consists of lectures, workshops and exchange sessions.

This is also a great opportunity to meet international colleagues, exchange knowledge and experiences on topics related to health and wellbeing. Join us and discuss the latest developments in the profession and in education, strengthen current partnerships and build new ones.

We hope to welcome you and your colleagues as contributors to the program of 2025! Feel free to forward this email to other interested parties. More information about the program will follow in October.

With warm regards,
